

## 2023 Grand Prix Drawing

Do you want help with the expenses of going to the USATF Masters T&F Indoor Championship in Louisville KY in March 2023?

The Midwest Region of USATF Masters T&F is excited to announce the creation of a 'drawing' to do just that!

How it works:

1. Be a masters member of the following Associations:

- Illinois Association
- Indiana Association
- Kentucky Association
- Lake Erie Association
- Michigan Association
- Ohio Association
- West Virginia Association
- Wisconsin Association

2. Compete in at least two Local Association Meets- the one goal is to get more Masters to compete in other Association Meets than only their respective Association.

The following Associations are hosting indoor meets:

- Indiana Association March 5
- Wisconsin Association February 5
- Illinois Association/Midwest Regional February 11
- Lake Erie Association February 19

Rules:

- Compete in AT LEAST two (2) Association Meets- get one ticket
- Compete in three (3) Association Meets and get three tickets.
- Compete in all four (4) Association Meets and get four tickets.

The tickets will be placed in a holder and two men and two women will win \$400.00 to help with their expenses to go to the 2023 USATF Indoor Championship in Louisville, KY.

To be eligible, the 'winning' individuals MUST compete in at least ONE individual event in Louisville. The money will be paid after the individual competes in Louisville by mailing a check.

If there are any questions or disputes, the decision of the Midwest Region Coordinator Phillip Pillin and the Deputy Region Coordinator Tim Cederblad will stand.
